

10 REDUCED INEQUALITIES

MMSU's Commitment

Contribute to the reduction of inequality and help ensure that no one is left behind in development.

Campaign on Equal Opportunity

With the Equal Policy (EOP) already in place in the university, MMSU sustains its awareness campaign program to its faculty and staff, and other stakeholders (local government, barangay officials, police officers, legal officers, guidance counselors, tricycle operators, and drivers, and dormitory supervisors with the goal of creating an healthy workplace and to improve services of the university by considering all employees and applicants to the university equally.
