

MARIANO MARCOS STATE UNIVERSITY

Recruitment of Students, Faculty and Staff

To effectively recruit students to come and study at MMSU, the Office of the University Registrar (OUR) is regularly posting updates about the MMSU College Admission Test (MCAT). MCAT is also held in various venues in order to accommodate all students and with the intention of admitting those from underrepresented (and potentially underrepresented) groups.

For easier access, the admission policies and requirements of the different programs in the University are posted online through the MMSU Office of the University Registrar's and concerned departments' social media accounts. The procedure on online admission (students' guide) was also uploaded in the Integrated University Student Information System (IUSIS) of the University and in the YouTube page of ICT Skills Development Unit.

The Provincial Government of Ilocos Norte (PGIN), through its Public Employment Services Office, conducted the *"My Skills IN My Future,"* a career guidance advocacy program. It aims to guide high school students in choosing a career path through lectures from professionals from different agencies, colleges, and universities including MMSU. The Career Hub Unit under the Office of Student Affairs and Services participated in the activities which were held in various schools in the province from November to December 2023. Attached is the request letter from PGIN. Furthermore, the OUR was also invited to the school caravan of Bacarra National Comprehensive High School. The main objective of the event was to empower more than 500 senior high school students by providing them with the necessary knowledge to make well-informed career decisions and explore various degree programs.

To effectively recruit faculty and staff in the University, the Human Resources Management Office regularly posts job vacancies in the Facebook page of MMSU. The notices of job hiring is open to all qualified applicants regardless of gender, civil status, disability, religion, ethnicity, and political affiliation.
