

MARIANO MARCOS STATE UNIVERSITY

Recognize a students' union

The MMSU University Student Council (USC) is the umbrella organization of all students in the University and it represents the students and participates in the governance of MMSU, particularly in the determination of school policies directly affecting the students.

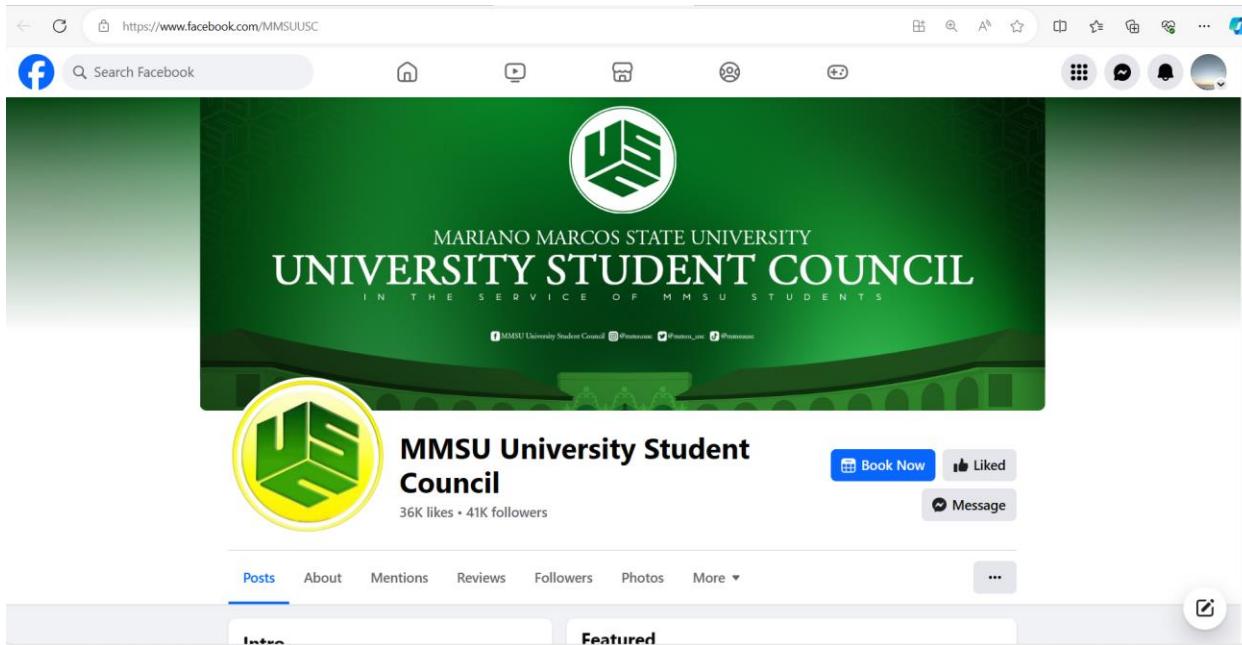

Students of the University also have the right to establish or join clubs, organizations, alliances, federations, and other associations among themselves inside the campus based on general or particular interests.

The University has a system of accrediting and recognizing student organizations.
